

Axovant Sciences to Present at Upcoming Investor Conferences

May 31, 2017

BASEL, Switzerland, May 31, 2017 /PRNewswire/ -- Axovant Sciences (NYSE: **AXON**), today announced upcoming presentations at two investor conferences:

- June 7 at 2:00 p.m. ET at the Jefferies 2017 Healthcare Conference
- June 21 at 11:00 a.m. ET at the JMP Securities Life Science Conference

A simultaneous webcast will be available for each conference in the Investors section of Axovant's website at www.axovant.com. A replay will be available for 30 days following each conference.

About Axovant Sciences

Axovant is a clinical-stage company focused on developing and commercializing innovative medicines that broadly address multiple forms of dementia and related neurological disorders. Axovant is developing a pipeline of late- and early-stage product candidates that focuses on the cognitive, functional, and behavioral aspects of debilitating conditions such as Alzheimer's disease and Lewy body dementia and related states.
