**Explanation of Responses:**

- The shares were sold on behalf of the Reporting Person in the open market to cover withholding taxes relating to the settlement of the vested restricted stock units.
- Each restricted stock unit represents the right to receive one share of the Issuer's common stock. 50% of the common shares underlying the restricted stock units vested on January 31, 2020 but settlement of such portion of the restricted stock units was delayed until transactions acceptable under the Issuer's insider trading policy were permitted
- 50% of the common shares underlying the restricted stock units vest on January 31, 2020 and the remainder vest on July 31, 2020, subject to the Reporting Person providing continuous service to the Issuer through each such date.
